Ms. Seals does the RA abbreviation
 you wrote and Mr. Blackledge Circle,
 stands for Risk assessment and SHV
 stands for Security level five (5). IF
 I did identified these abbreviations
 correctly would you explain why my
 security level went to a higher level
 than it has been the entire time
 I have been incarcerated.

Do Not Write Below This Line - For Reply Only

Wright, RA does stand for Risk
 Assessment and your security level
 is still at level four (IV).
